Ann,

Who is your Resources person. The Planning Section Chief is responsible to get the IAP done but it is Resources that puts it together. [REDACTED] Ex. 5 - Deliberative

[REDACTED] Ex. 5 - Deliberative We have several properly trained people that can fill many needed ISC positions, You just need to let me know what you need and we will make it happen down here on our end. If Rich is trying to have people be IMT and field that is another reason why your going crazy. Let me know what you need.

Ann,

There are a couple things we can do. There are other trained Planning Section Chiefs in the Region. We can ask any of them to work at the Site next week. Or Joanna is a trained Resource Unit Leader. She can compile the IAP and send it to me and I will do the Planning Section Chief blessing thing. Let me know how you want to proceed.

Kevin -

Do you have any availability next week to come up here and complete and IAP for Dimock (you can probably do this remotely but it may be easier if you are here)?

Ex. 5 - Deliberative

Thoughts?
